Announcement Content	
Explanations	

The latest status regarding our company's ongoing Paper Factory investment and Cogeneration Facility on a 100,000 m2 industrial land in Konya Ereğli OSB is as follows:

The assembly work of the paper machine and auxiliary facilities regarding our Konya Ereğli Paper Factory investment has been completed. The pressure tests of the paper machine, energization of the engines, water cycle and hydrostatic tests, electromechanical tests, hydraulic system tests and function tests are ongoing and it is planned to start trial production in August according to the test results.

The construction activities and assembly work of our Cogeneration Facility are ongoing. Developments regarding the subject will be announced to the public as they occur.

This statement has been translated into English for informational purposes. In case of a discrepancy between the Turkish and the English versions of this disclosure statement, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
