Explanations	

The Ven Valve products tender conducted under the Health Market program of the General Directorate of the State Supply Office (DMO) to meet the needs of healthcare institutions across Türkiye was held on September 1, 2026. Within the scope of the aforementioned tender;

Our Company was awarded the tender for a total of 2,715,100 units of single, double, and triple Ven Valve products, with a total contract value of TRY 27,593,598.00.

The tender period is 2 months. Through this tender, our Company aims to contribute to its product supply activities under the Health Market program for meeting the needs of healthcare institutions, as well as to its existing business volume.

In line with our Company's production capacity and activities in the Ven Valve product group, it is aimed to maintain the sustainable supply of products to meet the needs of healthcare institutions.

Respectfully submitted to the public.

The English translation of this disclosure is attached hereto. In case of any discrepancy between the Turkish and English versions, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
