Explanations	

An agreement has been signed between our Company and one of Türkiye's prominent industrial companies in Türkiye, within the scope of the "Mardin-2 Unlicensed Solar Power Plant Project" to be implemented in Mardin Province.

The total contract value of the project is USD 73,985,000.00, corresponding to approximately TRY 3,610,534,585 based on the current USD/TRY exchange rate.

The project is expected to contribute to the investor company's efforts to increase its renewable energy capacity, support its sustainable energy transition, and improve energy efficiency. The agreement is expected to make a positive contribution to our Company's operations and financial results.

The English version of this disclosure has been prepared, and in case of any discrepancy between the Turkish and English versions, the Turkish version shall prevail.

We hereby submit the above information for the attention of the public and our investors.

Sincerely,

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
