Explanations	

To the Attention of the Public and Our Investors,

In light of the regulations introduced by the Capital Markets Board of Türkiye regarding the portfolio composition of investment funds and capital markets instruments, as well as the extraordinary price movements observed following the implementation of such regulations, the Company has deemed it appropriate to make the following statement.

The Company is not aware of any information or development that could account for the aforementioned extraordinary price movements and that has not previously been disclosed to the public. The Company continues its production activities without interruption, in line with its established production and export targets.

The Company is closely monitoring the regulations introduced by the Capital Markets Board of Türkiye concerning the portfolio structures and risk management practices of investment funds, which are intended to support the sound, orderly and reliable functioning of the capital markets. The Company is conducting the necessary assessments in accordance with the applicable regulatory framework.

Respectfully submitted for the information of the public and our investors.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
