Explanations	

The investment in the Red Meat Processing and Butter Production Facility, undertaken by APZ Gıda Sanayi A.Ş., a wholly-owned subsidiary of our Company, is planned to be completed and the facility is expected to commence operations by December 31, 2026, at the latest, provided that there are no delays in the permitting process.

The new production facility, being constructed on a land plot of 10,710.4 square meters with a total enclosed area of 7,772 square meters, represents one of the significant investments undertaken in line with our Company's vertical integration strategy. The investment aims to enhance control over production processes, improve operational efficiency, achieve greater cost management effectiveness, and strengthen our brand value. In this context, the investment is expected to make a significant contribution to our Company's sustainable growth objectives and long-term strategic development.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
