Explanations	

Our Company's 100% subsidiary, Ecogreen Elektrik Enerji Üretim A.Ş., has submitted the most favorable bid in the YEKA GES-2026 tenders held on 03.11.2026 for the G26-ELAZIĞ GES (40 MWe) project, with an electricity unit price of 3.25 Eurocent/kWh and a contribution fee of 36,000 Euro/MWe.

The contract signing procedures will be carried out following the contract invitation from the Enerji ve Tabi Kaynaklar Bakanlığı. Significant developments regarding the permits, allocations, contracts, and other investment processes related to the project will be shared with the public and our investors within the framework of relevant legislation.

We respectfully present this to the information of the public and our investors.

The English translation of this disclosure has been simultaneously announced to the public, and in case of any discrepancy between the disclosure texts, the Turkish disclosure shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
