Explanations	

The application submitted by Zorlu Jeotermal Enerji Elektrik Üretimi A.Ş., one of our Company's subsidiaries, for the amendment of the electricity generation license dated 28 July 2011 and numbered EÜ/3338-2/2023, pertaining to the "Alaşehir GPP" project,to incorporate an integrated lithium-ion battery energy storage unit with an installed power capacity of 10 MWe and an energy storage capacity of 10 MWh, has been approved by the Energy Market Regulatory Authority ("EMRA") pursuant to its Board Decision dated 22 October 2026 and numbered 14975-3.
Pursuant to the aforementioned Board Decision, a period of 24 months has been granted for the construction of the energy storage unit, commencing from the date on which EMRA confirms that the obligations stipulated under the Board Decision have been fulfilled.
The aforementioned decision was officially notified to our Company on 23 November 2026.
This statement was translated into English for informative purposes. In case of a discrepancy between the Turkish and the English versions of this disclosure, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
