Explanations	

The Company's Board of Directors convened at the Company's headquarters on 23.11.2026 and adopted the following resolutions.

Since its establishment, our Company has aimed to pursue a balanced growth plan focused on store efficiency. Among our Company's long-term objectives are, primarily, to increase the number of stores in Ankara, subsequently to expand its branch network into major cities with high population densities.

In line with these objectives, it has been decided to open a new store at the address of "Ovacık Mahallesi, 673. Cadde N13 A-B Blok Keçiören / ANKARA" within the framework of our Company's growth strategy, in order to expand its existing operations and reach all consumers, and a lease agreement has been signed. The store, which is scheduled to open in the first quarter of 2027, has a sales area of approximately 3,500 m^2.

Following the initiation of the necessary legal procedures, an agreement has been reached regarding the leasing transactions, and the store will be made available to the residents of Ankara, particularly those in the Keçiören district, following the completion of renovation and decoration works.

Respectfully announced to the public and our investors.
