Explanations	

As it is known, our company is supplying certain wind turbine and wind tower components to our related party Ateş Çelik (Ateş Wind Power) under the framework understanding reached in April 2018.

Our new Information Policy announced through the Public Disclosure Platform on 15/2/2022, stipulates that disclosures may be made concerning periodical orders under framework contracts. In this context, our company has started disclosing our revenue expectations from Ateş Wind Power on a quarterly basis, beginning from the second quarter of 2022.

Our company is expecting to earn approximately EUR 3.250.000 from sales of wind turbine and tower components and commercial goods to Ateş Wind Power in the third quarter of 2022.

Revenue earned in the second quarter will be disclosed through the respective quarterly financial tables.

Respectfully announced to the public.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
