Explanations	

Regarding the factory investment that our company plans to make in the Aegean Free Zone, the necessary work for the license procedures has been completed and the construction permit has been obtained. Construction plans have been completed and construction activities will begin. We present it to the public.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
