Explanations	

In line with the strategy of growing with mid-large scale hospitals in metropolitan areas, MLP Sağlık Hizmetleri A.Ş.'s ("MLP Care") board has taken the following decisions on November 23, 2022:

- To obtain the licences of Özel Adana Metro Hospital and Özel Adana Hospital through MLP Care's 80% owned subsidiary, Samsun Medikal Grup Özel Sağlık Hizmetleri A.Ş. ("Samsun Medikal"), by signing a lease agreement for the buildings of the relevant hospitals, taking over their personnel and operations,
- To change Özel Adana Metro Hospital's name to Özel Medical Park Seyhan Hospital, Özel Adana Hospital's name to Özel Medical Park Adana Hospital,
- To take over Özel Güney Adana Hospital's license with a capacity of 203 beds by MLP Care,
- To take over Özel Özülkü Medical Center's operating license by Samsun Medikal.

With the completion of these transfer processes, MLP Care will start operations with Özel Medical Park Adana Hospital (153 bed capacity) and Özel Medical Park Seyhan Hospital (143 bed capacity). In addition, it is planned to open a new hospital in Adana within 18 months with a closed area of ca. 40 thousand m² and a bed capacity of 203, using the license taken over from the Özel Güney Adana Hospital.
