Additional Explanations

By our company's Board of Directors;

1. While the registered capital ceiling of our company is 500,000,000 TL, in the CMB's Registered Capital System, "By adding all kinds of internal resources and dividends to the capital, and as a result of mergers, divisions and similar transactions that require a general assembly resolution, the registered capital ceiling may be exceeded for once within the scope of each ceiling ." pursuant to this provision, the issued capital of 275,256,514 TL to be increased by 600% to TL 1,926,795,598 with an increase of 1,651,539,084 TL, fully covered by internal resources.

2. The distribution of the shares formed as a result of the capital increase, to the existing shareholders in proportion to their participation in the capital, in accordance with the article 6 of the articles of association titled Capital, "In any case, the Board

of Directors will issue new Group A shares in proportion to the ratio of the shares held by the A Group shareholders in the Company during the capital increase. Shareholders participate in capital increases by purchasing the shares to be issued in the same group as the shares they own. However, Group C shareholders will not participate in these increases and Group C shares will continue to exist as 1 share." Since the number of C group shares cannot be changed, pursuant to this provision, the Group C shareholder will also be given Group A shares with this bonus issue,

3. Capital increase amounting to TL 1.651.539.084 to be made from internal resources, According to the financial statements prepared in line with Tax Procedure Law records, 1.193.165.283.69 TL from Capital Inflation Adjustment Differences, 247.863.333.91 TL from Secondary Legal Reserve Inflation Adjustment Differences, 180.798.214.95 TL from Extraordinary Inflation Adjustment Differences, 29.712.251,45 TL First Order Legal Reserve to be covered from Inflation Adjustment Differences,

According to the financial statements prepared in accordance with TFRS, 1.344.242.642 TL to be covered from Capital Inflation Adjustment Differences, 307.296.442 TL from Retained Earnings,

4. Regarding the capital increase from internal resources, article 6 of the Article of Association titled "Capital" is amended in accordance with the provisions of the Turkish Commercial Code and the capital market legislation, as attached,

5. Necessary applications and procedures to be made to the Capital Markets Board, Borsa İstanbul A.Ş. and Central Registry Agency Inc. and to other organizations, for the realization of the bonus capital increase from internal resources and the approval of the issue document regarding the shares to be issued in the capital increase and the amendment draft of article 6 titled "Capital" of the articles of association,

has been decided.
