Murat Akgüç holds a bachelor's degree in Industrial Engineering from Boğaziçi University and has completed the Executive MBA program at the Rotterdam School of Management. With over 20 years of experience in business development, technology, telecommunications, strategy, digital innovation, and venture capital, he began his career at the Osmanlı Bankası and later worked on treasury projects in the banking sector. In 2004, he assumed the role of Vice President of Business Development and Strategy at Credit Europe Bank in the Netherlands. Returning to Turkey in 2015, Akgüç held high-level executive positions in technology, digital product development, strategy, and marketing in the international media and gaming sectors. In 2021, he joined the Turkey Wealth Fund as the Executive Vice President responsible for Venture Capital and Technology Investments. In 2022, he played a leading role in significant projects, including the acquisition of Türk Telekom, the largest M&A transaction in Turkey, and the establishment of the Türkiye Technology Fund - TTF (Fund of Funds) investing in Turkey's venture capital funds. Additionally, he took on roles as a Board Member at Türkiye Sigorta and TVF Technology Investments.

Prof. Dr. Vehbi Çağrı Güngör completed his bachelor's and master's degrees in 2001 and 2003, respectively, in Middle East Technical University, Department of Electrical-Electronics Engineering. During his master's studies, he worked at ASELSAN Software Engineering (Command, Control, Communication) Department. He earned his Ph.D. in 2007 from the Georgia Institute of Technology, Department of Electrical and Computer Engineering. Between 2020 and 2023, Dr. Güngör served as a Board Member of the BILTEG Executive Board in the TÜBİTAK TEYDEB program. Currently, he is the Head of the Computer Engineering Department at AGÜ. His research focuses on 5G and beyond communication technologies, mobile communication, the Internet of Things, and artificial intelligence. Dr. Güngör's research projects have received support from institutions such as the European Union, TÜBİTAK, the Ministry of Science, Industry and Technology, Turkcell, Türk Telekom, Havelsan, TÜBİTAK SA-GE, and NOKIA. Throughout his academic career, Dr. Güngör has published over 100 articles in international peer-reviewed journals and conferences.

Ali Uysal began his professional career as a lawyer in 2003, working as a senior attorney in the corporate advisory department of law firms serving national and international clients until 2009. In 2009, he took on the role of Legal Counsel responsible for establishing the internal legal department at SunExpress Airlines, a joint venture of Turkish Airlines and Lufthansa, where he served until 2014. From 2014 to 2019, Ali Uysal served as the Chief Legal Counsel for Turkish Airlines. Since 2020, he has been the Corporate Legal Affairs Director within the Legal Regulation Deputy General Management at Turkcell İletişim Hizmetleri A.Ş.. Ali Uysal, a graduate of Istanbul University Law Faculty, also completed his master's degree in European Union Law at Stockholm University Law Faculty.
