Explanations	

At this point, our company is planning the processes of H5 Integrated Sample Production, Building Use Certificate Application, Obtaining the Building Use Certificate and Completion of Legal Permits Before Product Sales.

We are successfully continuing the H5 Integrated Sample Production process, which is planned to start in January 2024. We continue to work on the Building Use Certificate application process, which is planned to start in June 2024, and the process of obtaining the Building Use Certificate is planned until August 2024. We aim to complete the necessary legal authorization processes before product sales by September 2024.

We will continue to inform the public regularly to keep you informed of developments.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
