Explanations	

As stated in our public disclosure dated 7 April 2023, Aksa Energy Company Ghana Limited, a subsidiary of Aksa Enerji Üretim A.Ş., signed an agreement with Electricity Company of Ghana about establishment of a combined natural gas power plant in Kumasi with an installed capacity of 350 MW, electricity generation and US Dollars guaranteed sales of the electricity produced for 20 years in 6 April 2023.

Construction of Kumasi combined cycle power plant is planned to start in March 2024. Commercial operation date is planned to be the first quarter of 2025. In line with this plan, " Machinery and Equipment Sale Agreement" is signed between Aksa Energy Company Ghana Limited and Age Enerji Üretim A.Ş.

Kind regards,

Note: In case of discrepancy between Turkish and English versions, Turkish version shall prevail.
