Explanations	

In our Material Events Disclosure published on KAP on 07.03.2024, we informed our Company regarding the investment of the Barem Packaging Cogeneration Facility production facility with an installed power of 37,650 MWh mechanical power (32 MWe electrical power), which was decided to be installed in the Konya Ereğli Paper production facility, whose investment continues in Konya Ereğli OIZ. It was announced that a preliminary license was granted by the Energy Market Regulatory Authority (EPDK).

The preliminary projects submitted by our company to the Ministry of Energy and Natural Resources regarding the Cogeneration Facility in question have been technically examined, and the conceptual approval of the preliminary projects in question has been confirmed by the General Directorate of Energy Affairs of the Ministry of Energy and Natural Resources, dated 30.04.2024, numbered E-11379310. It was notified to our Company with the letter numbered -000-255428.

The English translation of this explanation is in the appendix, and in case of any difference in the text of the explanation, the Turkish explanation will be considered as the basis.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
