Explanations	

Within the scope of the Volatility Based Measures System (VBMS) that is being implemented in accordance with the Capital Markets Board's decisions, MAGEN.E and YGYO.E shares will be subject to gross settlement measure from 07/05/2024 (beginning of the session) until 06/06/2024 (end of the session). Measures that are currently being implemented and defined in the earlier stages of the VBMS ("prohibition of margin trading" measure) will be in effect until the end date of the gross settlement measure.

Note: Measures implemented within the scope of the VBMS are considered separately from trading principles applied for the share as a result of the trading rules of the market/platform in which the share is traded, market segment changes, or other reasons. Accordingly, measures taken with respect to VBMS continue to be implemented until the end of the measure's implementation period irrespective of the validity period of the trading principles implemented with other regulations or decisions.
