Explanations	

Kron Technology's innovative product, Kron DAM&DDM, which provides secure access to data and real-time masking of sensitive information, has been featured in Gartner's renowned Market Guide. Gartner Market Guide is recognized as a critical resource for businesses worldwide to evaluate technological solutions and make informed strategic decisions. After the success of our PAM product, this recognition reaffirms Kron Technology's commitment to offering innovative and robust solutions to the evolving challenges in identity and data security.

Details of this development have also been published in the News section on our website at www.krontech.com

We present this information to the public and our investors.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
