Explanations	

Our Company's Board of Directors on October 3, 2024;

In order to increase efficiency in production, reduce production costs and expand our product range, the Company has decided to activate the Hendek factory with an open area of 5,000 m2 and a closed area of 5,000 m2, which is monitored under the assets of our balance sheet and under Investment Properties, to become Ekos Teknoloji ve Elektrik A.Ş. – Hendek Branch and to initiate the necessary legal proceedings for the opening of the branch.

Developments will be shared with the public.

We present it to the information of the public and our investors.

This statement has been translated into English for informative purposes. In case of a discrepancy between the Turkish and the English versions of this disclosure, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
