Explanations	

In the financial reports for the period 01.01.2024-31.12.2024, which were disclosed to the public on 11.03.2025, the balances under the heading Distribution of Period Profit (Loss) under the Profit or Loss Statement should have been written to the Parent Company Shares, but were mistakenly written to Non-Controlling Shares. This correction does not change the Company's balance sheet and net profit for the period. Corrected Financial Statements for the period 01.01.2024-31.12.2024 will be announced again.
