Additional Explanations

In our public disclosures dated 26.03.2025 and 29.04.2025, it was announced that the issued capital of our Company would be reduced from 607,200,000 TL to 600,000,000 TL through the cancellation of repurchased shares, and that the dividend amount corresponding to the canceled shares would be distributed equally among the remaining shareholders. The share cancellation process has been completed, and the dividend amounts per share have been updated accordingly.

In calculating the cash dividend, the principle of "1 TL nominal value = 1 share = 1 lot" is used. A cash dividend of gross = net 13.0 TL per 1 TL nominal share will be paid to shareholders whose dividend income is not subject to withholding tax. For other shareholders, a gross dividend of 13.0 TL and a net dividend of 11.05 TL per 1 TL nominal share will be paid.

The cash dividend distribution will be made in three installments. The first installment will be distributed as gross 4.0 TL per share starting from 18.06.2025, the second installment as gross 4.0 TL per share starting from 17.09.2025, and the third installment as gross 5.0 TL per share starting from 17.12.2025.

In the event of a contradiction between the Turkish and English versions of this public disclosure, the Turkish version shall prevail.
