Explanations	

Further to our disclosure dated May 8, 2025, regarding our application to the Capital Markets Board for the issuance in Türkiye of green debt instruments in Turkish Lira, without public offering, to qualified investors and/or via private placement, in one or more tranches, with various maturities up to a maximum of 2 (two) years (inclusive) and for a total nominal amount not exceeding TL 500,000,000 (FiveHundredMillionTurkishLira), the approval of the Capital Markets Board has been published in the Capital Markets Board's Weekly Bulletin dated August 7, 2025 and numbered 2025/43.

The Framework Document, which has been prepared in compliance with the "Guidelines on Green Debt Instruments, Sustainable Debt Instruments, Green Lease Certificates and Sustainable Lease Certificates" (the "Guidelines") issued by the Capital Markets Board and with international standards and approved by the Board of Directors, as well as the Second Party Opinion confirming the compliance of the Framework Document with international standards, are attached hereto.

In accordance with CMB regulations, in the event of any discrepancy between the Turkish and English versions of this public disclosure, the Turkish version shall prevail.
