Explanations	

We are pleased to announce to the public that our company has won a Silver Stevie Award for its 2024 Integrated Annual Report in the "Best Annual Report" category under the "Publications Awards for Public Companies" at the 22nd Annual International Business Awards.

This award marks a significant achievement for our company, following our Bronze Stevie for the "Purple Turbine Blades" project in the "Corporate Social Responsibility" category in 2023 and the two Gold Stevie awards for our investor relations website last year. The 2024 Integrated Annual Report, which was designed to be interactive for the first time, has once again affirmed our expertise in transparency and communication with this prestigious honor.

You can access the 2024 Integrated Annual Report on our company's investor relations website and in the attachments of this public disclosure.

Respectfully announced to the public.
