Audit Result	Positive

LIMITED AUDIT REPORT ON COMPLIANCE OF THE

INTERIM PERIOD ACTIVITY REPORT

TO THE ALFA SOLAR ENERJİ SANAYİ VE TİCARET A.Ş. GENERAL ASSEMBLY

We have been tasked with making a review of whether the financial information included in the interim activity report of Alfa Solar Enerji Sanayi ve Ticaret Anonim Şirketi, prepared as of 30 June 2025, is consistent with the reviewed interim consolidated financial statements. The subject of the report is the interim Annual Report, which is the responsibility of the Company's management. As a audit company, our responsibility is to disclose the conclusion reached as to whether the financial information in the interim annual report is consistent with the reviewed interim consolidated financial statements and explanatory notes that were subject to the review report dated 19 August 2025. The review was conducted in accordance with Standard on Auditing ("SBAS") 2410 "Review of Interim Financial Information by the Auditor of the Annual Consolidated Financial Statements of the Entity".

Our review includes examining whether the financial information in the interim annual report is consistent with the reviewed interim consolidated financial statements and explanatory notes. Scope of review of interim financial information; It is considerably narrow compared to the scope of the independent audit, which is performed in accordance with the Independent Auditing Standards and whose purpose is to express an opinion on the consolidated financial statements. As a result, a review of interim financial information does not provide an assurance that the firm will be familiar with all significant matters that can be identified in an independent audit. Therefore, we do not express an independent audit opinion. As a result of our review, we have not come across anything that indicates that the financial information in the accompanying interim annual report is not consistent, in all material respects, with the reviewed interim consolidated financial statements and the information given in the explanatory notes.
