Explanations	

Within the framework of the agreement signed between our company, Daimler Buses GmbH (Daimler Buses) and Mercedes-Benz Türk A.Ş. (MBT), Mercedes-Benz Conecto model will be produced in the Otokar Sakarya factory.

Within the scope of the signed agreement, all important materials and parts will be supplied by Daimler Buses /MBT, while Otokar will essentially provide labor and production services, and accrued service revenues within this scope will be tracked under the other sales item in our Company's financial statements

Within the scope of the agreement, which is valid until the end of 2029, it is envisaged to start production in September 2026 following the completion of production line preparations and to start mass production in 2027. The target is to produce a minimum of 1,400 vehicles in total during the agreement period, and final quantities will be determined according to market developments.
