Explanations	

The Government of the Republic of Türkiye and the Government of the Turkish Republic of Northern Cyprus (TRNC) have signed a cooperation protocol for the development of the TRNC's fibre optic infrastructure and for the provision of services via fibre optic cables to households and enterprises. Our company has been tasked with implementing the investments covered by the protocol.
As part of the specified assignment, our company will be responsible for developing the TRNC's fibre optic infrastructure and providing services via fibre optic cables to households and enterprises.
Our group company incorporated in the TRNC, will be responsible for carrying out these investments.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
