Explanations	

Our Company's Solar Power Plant project, which was previously disclosed to be established in Silvan district in Diyarbakir province, with an annual capacity to generate 22,000 MWh of clean electricity on the average, was issued an 'Environmental Impact Assessment Positive' decision by the Ministry of Environment, Urbanization and Climate Change on January 12, 2026.

We would like to respectfully disclose to the public.

This statement has been translated into English for informational purposes. In case of a discrepancy between the Turkish and the English versions of this disclosure statement, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
