Explanations	

In the scope of Article 10 of the Communiqué No. II.17.1 of the Capital Markets Board (CMB), if it is anticipated that the ratio of the amount of common and continuous transactions between our Company and its related parties within an accounting period to the cost of sales according to the last annual financial statements disclosed to the public in purchase transactions will exceed 10% or the ratio of the revenue according to the last annual financial statements disclosed to the public in sales transactions will exceed 10%, the Company's Board of Directors is required to prepare a report on the terms of the transactions and their comparison with market conditions and disclose the report or its conclusion on the Public Disclosure Platform (KAP). The report prepared within this scope is attached.

This statement has been translated into English and simultaneously announced for informational purposes. In the event of any discrepancy between the Turkish and the English versions, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
