Explanations	

As per the Capital Markets Board's Corporate Governance Communiqué No. II.17-1, if the ratio of the amount of the prevailing and continuous transactions between the publicly held joint stock companies and its affiliates and the related parties within an accounting period,

a) sales costs in purchasing transactions based on the most recent annual financial statements disclosed to the public,

b) revenues in sales transactions based on the most recent annual financial statements disclosed to the public,

is estimated to exceed 10%, the Board of Directors will prepare a report regarding the terms of the transactions and comparison of the transactions with market conditions, and this report will be disclosed to the public. The report prepared in this respect is attached and it is decided that the report is accepted and disclosed to the public via Public Disclosure Platform.

This statement has been translated into English and simultaneously announced for informational purposes. In the event of any discrepancy between the Turkish and the English versions, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
