Explanations	

In order to meet the needs of **364 hospitals located in 78 provinces across Türkiye**, our Company participated with its **İvein group needle-free venous valve products** in the **needle-free venous valve procurement tender** held on **11 February 2026** by the Health Market of the General Directorate of Devlet Malzeme Ofisi (DMO).

Within the scope of the tender, the **entire quantity of 2,896,993 units required by 364 hospitals** has been awarded to our Company for a **total contract value of TRY 33,506,172.20**.

Thanks to our Company's high production capacity, **all products subject to the tender are planned to be delivered within 1 (one) month**.

With a **95% domestic production rate**, and in line with the strong market acceptance of our **IVein product group**, it is expected that the sales volume will continue to increase in the coming periods **both domestically and in global markets**.

Respectfully announced to the public.
