Explanations	

The passenger statistics of our Company's indirect subsidiary Global Ports Holding ("GPH") have been published on our website in Turkish and English for Feb 2026. It can be accessed via Investor Relations - Reports - Passenger Statistics.

In February 2026, the number of consolidated cruise calls at our ports increased by 10% compared to February 2025, while consolidated passenger movements in February 2026 were 18% higher than February 2025 levels. The occupancy rate of cruise ships calling at our ports was 105% on a consolidated basis in January 2026.

An additional presentation including non-consolidated GPH ports has been introduced in the passenger statistics tables published on our website starting from January 2026 . In this context, including non-consolidated ports, the total number of cruise calls at all our ports was 610 and total passenger movements amounted to 1,794,513 in February 2026.

In case of any discrepancy between the Turkish and English versions of this disclosure, the Turkish version shall prevail.

Respectfully announced to the public.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
