Explanations	

The Capital Markets Board has decided to approve the request to change the trade name and articles of association of Yapı Kredi Blokzincir Teknolojileri A.Ş. which we indirectly hold 100% of the share capital through Yapı Kredi Finansal Teknolojiler A.Ş., to "Yapı Kredi Kripto Varlık Alım Satım Platformu A.Ş." in order to operate as a crypto asset trading platform. Following the completion of the procedures regarding the implementation of the amendments to the articles of association, it is planned to apply to the Capital Markets Board for an operating license, and significant developments regarding the process will be shared with our investors.
