Explanations	

Within the scope of the Volatility Based Measures System (VBMS) that is being implemented in accordance with the Capital Markets Board's decisions, short selling and margin trading in AKFIS.E, ISKPL.E and RALYH.E shares will be prohibited from 31/03/2026 (beginning of the session) until 29/04/2026 (end of the session).

Note: Measures implemented within the scope of the VBMS are considered separately from trading principles applied in the share as a result of the trading rules of the market/platform where the share is traded, market segment changes, or other reasons. Accordingly, measures taken under the VBMS continue to be implemented until the end of their implementation period irrespective of the validity period of the trading principles implemented under other regulations or decisions.

Short selling which had been permitted only on stocks listed within the BIST 50 Index pursuant to the Capital Markets Board's (CMB) decision dated 05/12/2024, is banned on Borsa İstanbul Equity Market until the end of the session on 06/03/2026 with the CMB's decision dated 01/03/2026. This prohibition has been extended until the end of the trading session on 10/04/2026.
