Circuit Break Application	
Announcement Content	
Explanations	

As of 17:42:06, the Market-Wide Circuit Breaker has been triggered, and trading has been temporarily suspended in all trading series in the Equity Market, Single Stock and Equity Index contracts in the Derivatives Market. Trading will restart in the Equity Market with the closing session at 18:01. Trading in Single Stock and Equity Index futures and option contracts traded in the Derivatives Market will resume at 18:08. Trading has ended for warrants, certificates, and pre-emptive right series for the day. Sessions will continue from where they left off at the MWCB end time.
