Explanations	

In recognition of its outstanding performance throughout 2025, Penta Teknoloji was honored with the 'Premium Distributor 2025' award by Lexar.

Lexar, operating in the field of data storage and memory solutions, is one of the leading global technology companies specializing in the development and manufacturing of memory cards, USB flash drives, SSDs, and other flash storage products. Operating under Shenzhen Longsys Electronics Co., Ltd. since 2017, Lexar continues its activities in the technology market with a broad product portfolio recognized by prestigious international awards.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
