Explanations	

Our Company has been informed that Global Ports Holding ("GPH"), our indirect subsidiary, has entered into a Memorandum of Understanding ("MoU") with the Government of St . Vincent and the Grenadines for the purpose of conducting exclusive negotiations regarding the development and operation of the St. Vincent and the Grenadines Cruise Port ("SVG Cruise Port").

Under the MoU, the parties aim to negotiate and execute a concession agreement for the development and operation of SVG Cruise Port.

St. Vincent and the Grenadines occupies a strategic location in the South-Eastern Caribbean, in close proximity to major cruise destinations such as Barbados, Saint Lucia and Grenada. The St. Vincent Cruise Port, which currently handles approximately 200,000 passengers annually, is considered to have significant growth potential, supported by GPH's global operational expertise and strong relationships with cruise lines.

Completion of the transaction remains subject to the parties reaching definitive agreements on the concession terms. Upon securing the concession right, GPH plans to implement a two-phase investment programme to expand berthing capacity, accommodate larger cruise vessels and enhance the passenger experience.

Material developments regarding the process will be disclosed to the public.

Respectfully announced to the public.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
