Explanations	

Due to the shares of our Company whose ownership was transferred to the Investor Compensation Center ("YTM") because they were not dematerialized within the prescribed period pursuant to the fourth paragraph of Article 13 of the Capital Markets Law No. 6362, restitution and payment are being made by YTM to the rightful holders possessing physical share certificates, within the framework of the provisions of the Regulation on the Procedures and Principles Regarding Payments to Investors by the Investor Compensation Center Following the Partial Annulment of the Fourth Paragraph of Article 13 of the Capital Markets Law No. 6362, published in the Official Gazette dated September 7, 2016 and numbered 29824.

Pursuant to Article 5 of the aforementioned Regulation, the deadline for applications to the Investor Compensation Center, together with the required documents, by rightful holders possessing physical share certificates issued by our Company, in order to avoid any potential loss of rights, is September 6, 2026.

Following the delivery of their physical share certificates to our Company against a written record of receipt, rightful holders are required to apply to YTM by September 6, 2026, together with the delivery record issued upon such delivery and the other documents required under the Regulation (application petition, copy of identity document, if applicable certificate of inheritance/power of attorney, etc.).

In this context, we would like to emphasize that rightful holders wishing to benefit from the provisions of the Regulation should complete their applications within the prescribed period in order to prevent any potential loss of rights.

Detailed information regarding the application process may be obtained from the "Frequently Asked Questions on Dematerialization" section available on YTM's website (https://www.ytm.gov.tr) or by calling +90 (312) 292 90 45.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
