Explanations	

The Company has successfully completed the technical and administrative evaluation processes conducted by the General Directorate of Military Factories (AFGM) of the Ministry of National Defense and has been granted the **Approved Supplier Certificate**. The certificate is valid until **June 5, 2031**.

By obtaining this certificate, the Company has acquired the status of an approved supplier in procurement processes carried out by the AFGM and has fulfilled the qualification requirements for participation in procurement processes that may be conducted to meet the needs of the relevant public institutions and organizations.

The Company continues its efforts to develop high-performance polyurethane system solutions for the defense industry and aims to contribute to the sector through polyurethane solutions that can be utilized in various applications, including ballistic protection panels, specialized insulation solutions, military footwear manufacturing, and a wide range of engineering applications.

Respectfully announced to the public.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
