Explanations	

Within the scope of liquidity providing activities carried out on Borsa İstanbul Equity Market, a liquidity providing service agreement has been signed with Ak Yatırım Menkul Değerler A.Ş. based on the resolution adopted by our Company's Board of Directors, in order to start liquidity providing activity for our Company's shares. In this respect, the application submitted by Ak Yatırım Menkul Değerler A.Ş. to Borsa İstanbul A.Ş. on July 13, 2026 has been approved on July 16, 2026.

In accordance with the signed agreement, liquidity providing transactions will be carried out by Ak Yatırım Menkul Değerler A.Ş., designated as the liquidity provider brokerage firm, through the liquidity provider customer account opened on behalf of our Company, starting from July 17, 2026 and in compliance with the applicable legislation.

Liquidity providing activity is an optional activity intending to increase the liquidity, thus the tradability of capital market instruments covered therein, and is not an activity aiming to ensure price stability. The liquidity provider will contribute to liquidity, when deemed necessary, by transmitting buy/sell orders in its own name and for the account of our Company in the capital market instrument for which it is assigned. The liquidity provider will disclose on KAP the amount, volume and buy/sell transactions carried out within this scope, on a share basis, once every two weeks by no later than the second trading day of the following week, in accordance with the format prescribed under the applicable legislation.
