INDEPENDENT AUDITOR'S REPORT ON THE MANAGEMENT'S INTERIM REPORT

To the General Assembly of Enerjisa Enerji A.Ş.

Opinion

We have been appointed as the independent auditors to perform a review of whether the financial information included in the management's interim report of Enerjisa Enerji A.Ş. (the "Company") and its subsidiaries (the "Group") as of 30 June 2026 is consistent with the reviewed condensed interim consolidated financial statements. The management's interim report is the responsibility of the Group's management. Our responsibility is to conclude whether the financial information in the report is consistent with the reviewed interim condensed consolidated financial statements as at 10 August 2026 and the explanatory notes.

We conducted our review in accordance with the Independent Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". Our limited review covers the examination of whether the financial information included in the management's interim report is consistent with the reviewed interim condensed consolidated financial statements and the explanatory notes. The scope of a review of interim financial information is substantially less in scope than an audit conducted in accordance with Independent Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the consolidated financial information included in the accompanying management's interim report is not consistent, in all material respects, with the reviewed condensed interim consolidated financial statements and the accompanying explanatory notes.
