Explanations	

Our Company conducts annual valuation studies through independent valuation firms in order to regularly monitor the value of our real estate portfolio.

Our Board of Directors resolved to carry out a comprehensive portfolio assessment study to evaluate the economic value and utilization efficiency of the existing real estate portfolio and to identify alternatives for more effective management of the portfolio.

Developments regarding the study will be disclosed to the public in due course.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
