Explanations	

Contract amounting to USD 1,958,400 has been signed between our group company, MPG Makine Prodüksiyon Grubu Makine İmalat Sanayi ve Ticaret A.Ş., and an enterprise operating in the energy sector—providing technical services for drilling, well services, seismic activities, and energy projects within the oil and natural gas fields—with deliveries scheduled for completion within 2027.

With this contract, the objective of "developing cooperation with companies operating in the energy sector," which ranks among our Company's near-term strategic goals, has been successfully achieved.

The signed contract is expected to increase our Company's effectiveness in the energy sector, contribute to the diversification of its customer portfolio, and support its long-term growth strategy.

Our Company continues its operations in alignment with its sustainable growth goals by offering value-added solutions in the defense, energy, and other strategic sectors.

Respectfully announced to the public.

This disclosure is also made in Turkish, and in case of any discrepancy between the disclosure texts, the Turkish disclosure shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
