Explanations	

In our company's material disclosure dated 31.10.2024, it was shared with the public that our senior managers were assigned to evaluate domestic and international investment opportunities that will contribute to efficiency and profitability and offer horizontal and/or vertical growth opportunities. In this context, studies are continuing to evaluate domestic and foreign investment opportunities that will enable our company to achieve its strategic goals and objectives , and will be shared with our investors in case of concrete developments that need to be disclosed to the public.

It is respectfully announced to the public.

This statement has been translated into English for informational purposes only. In case of any discrepancy between the Turkish and English versions, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
