Explanations	

In our Material Disclosure published on KAP (Public Disclosure Platform) dated 07.03.2024, it was announced that, pursuant to EPDK's Decision No. 12463-2, a pre-license had been granted to our Company for the Barem Ambalaj Cogeneration Facility, with an installed capacity of 37,650 MWm mechanical power (32,000 MWe electrical power), planned to be established in the Ereğli district of Konya province.

Pursuant to the Decision of the Energy Market Regulatory Authority dated 13/08/2026 and numbered 14794-1, a production license numbered EÜ/14794-1/06780 has been granted to our Company for the Barem Ambalaj Cogeneration Facility to be established in the Ereğli district of Konya province.

Under this production license, the coal-fired Barem Ambalaj Cogeneration Facility, with a production capacity of 37,650 MWm mechanical power (32,000 MWe electrical power), is planned to generate 249,600,000 kWh of electricity annually. The production license is valid for a period of 49 (forty-nine) years and will remain in effect until 13.08.2075.

Construction and installation works for our Cogeneration Facility are ongoing. Developments regarding this matter will be disclosed to the public in due course.

We hereby submit this to the attention of the public and our investors.

The English translation of this explanation is in the appendix, and in case of any difference in the text of the explanation, the Turkish explanation will be considered as the basis.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
