Explanations	

A Charging Station Operator Agreement has been signed between Meta Mobilite Enerji A.Ş. ("Meta")—76.67% of whose shares are held by our Company—and Zes Dijital Ticaret A.Ş. ("ZES"). Under the agreement, Meta will launch and operate new charging stations—which it will establish in-house as a Certified Investor—within the ZES charging network, making these stations available for use by ZES customers via the ZES application.

This collaboration is expected to provide Meta's charging station investments with access to ZES's existing customer base, thereby positively contributing to the revenue Meta generates from charging services.
