Explanations	

Mondi confirms that on the afternoon of 27 August 2026 a fire broke out in the paper storage area of Mondi Tire, Izmir.

The team immediately activated emergency procedures and local services arrived quickly and extinguished the fire on the same day. No one has been harmed in this incident and production at the mill has continued as normal. *The damage assessment is ongoing, yet we expect limited financial impact.*

Respectfully announced to the public.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
