Explanations	

In our material event disclosure dated 31 October 2024, it was announced that senior executives of our Company had been appointed to explore domestic and international investment opportunities that could contribute to the efficiency and profitability of our Company and provide opportunities for horizontal and/or vertical growth.

Within the framework of the evaluations made within the scope of the mentioned disclosure, there has been no concrete and finalized investment opportunity or investment decision that would require public disclosure to date.

In line with our Company's strategic objectives and priorities, potential investment opportunities that may arise in the coming periods may be evaluated. Should any concrete and definitive development requiring public disclosure occur, the public and our investors will be informed in accordance with the applicable regulatory framework.

We present it to the public.

This statement has been translated into English for informational purposes only. In case of any discrepancy between the Turkish and English versions, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
