Explanations	

It was previously announced in our disclosures made through the Public Disclosure Platform that applications had been submitted to the Capital Markets Board and the Ministry of Trade for the amendment of the articles of association within the scope of the public offering of the shares of Ferbis Tarım Ticaret ve Sanayi A.Ş. ("Ferbis" or the "Company"), our wholly owned subsidiary, for trading on Borsa İstanbul A.Ş., and that the necessary approvals had been obtained.

Our subsidiary Ferbis has informed our Company that, considering the prevailing market conditions and Ferbis's strategic priorities, the public offering has been postponed for reconsideration at a later date; that an application has accordingly been submitted to the Capital Markets Board to amend the relevant provisions of the Company's articles of association; and that it has been decided to submit an application to the Ministry of Trade upon obtaining the necessary approval and favorable opinion.

Respectfully announced to the public.

In contradiction between the Turkish and English versions of this public disclosure, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
