Explanations	

As part of its objective to further enhance its sustainability practices in line with international standards and best practices, the Company has become a signatory to the United Nations Global Compact.

By becoming a signatory to the UN Global Compact, the world's most comprehensive sustainability initiative, the Company reaffirms its commitment to the principles of the UN Global Compact, while aiming to further strengthen its sustainability strategy in line with internationally recognized principles and enhance its contribution to sustainable development.

Respectfully announced to the public and our valued stakeholders.

Note: In case of a discrepancy between the Turkish and the English versions of this disclosure statement, the Turkish version shall prevail

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
