Explanations	

In our material event disclosure dated 10.03.2025, it was reported that the Competition Authority had decided to initiate two separate investigations into various retail companies and their suppliers operating in the food retail sector, including our Company.

Regarding one of the investigations, it has been decided that our Company did not violate Article 4 of the Law No. 4054 on the Protection of Competition; therefore, it has been ruled that there is no need to impose an administrative fine pursuant to Article 16 of the same Law.

As for the other investigation, it has been decided to conclude the process through a settlement procedure with Şok Marketler Ticaret A.Ş. The settlement amount to be paid by our Company has been determined as TL 39,910,027.96 (TL 29,932,520.97 with a 25% early payment discount).

The process for both investigations has now been completed. This is presented for the information of the public.

The English translation of this statement has been simultaneously disclosed to the public. In the event of any discrepancy between the Turkish and English versions, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
